Dear Parents and Guardians,

The Department of Education has recently notified us of changes in its standardized testing times, name (the statewide assessments will now be called NJSLA New Jersey Student Learning Assessments), and parameters. As a result, we are sending this letter as an update for your information.

Pursuant to N.J.S.A 18A:7C-6.6, districts must provide parents and guardians certain information on any State or commercially developed standardized assessment that will be administered during the school year. Below, please find the Little Falls Public School testing information. Testing window covers the time it will take the entire district to complete the assessment. Each grade will have a specific testing time within that window. Please note that as the testing dates approach, you will receive more detailed information.
