As the 2017-18 school year comes to a close, I would like to personally thank each and every one of you for your support and commitment. Without you, there would be no home/school collaboration, which is paramount in the development of our children socially, emotionally, and academically. Let's take a moment to look back with "Hornet Pride" on all that we have accomplished this year and highlight the following: In the area of scholarship, we have had multiple Students of the Month, local and county level winners at Gifted and Talented Competitions, the Spelling Bee and Geography Bee, SAT eligible students and SAT high scorers, Battle of the Books competitors and winners, and an increase in PARCC score performance. In the area of service, we had students participate and exceed expectations on our Just Run Just Deeds Program, our National Junior Honor Society raised money for Malawi, our Student Councils raised money for a variety of local and global charities, and as a district we raised over \$11,000 for Make-A-Wish.

"Alone we can do so little, together we can do so much". I look forward to all we still have to accomplish together. It is truly an honor to serve this wonderful community as your Superintendent.

Please remember to check our website www.lfschools.org and other media outlets (Twitter and Instagram) regularly. We will continue to update each throughout the summer months.

I wish you and your family a safe, fun, and healthy summer making memories.

Best
