Mrs. Tracey L. Marinelli
Superintendent of Schools

Dear Little Falls School District Families and Friends,

The Holiday Season is upon us and I would like to take a moment to let you know how incredibly honored and privileged I am to serve the families of Little Falls as the Superintendent of Schools.

As the calendar year comes to a close, and we enter this Holiday season, let's reflect on the great things that have been occurring throughout the Little Falls School District, and take a moment to appreciate all who contributed.

- A passed Referendum
- A new website www.lfschools.org
- A district wide mascot
- Parent Academy Meetings
- Our Falls Flash
- An abundance of technology
 - iPADS
 - more Chromebooks
 - AVRover
 - OSMOs
- Collaboration with community organizations
- A partnership with the LFEF who has been so financially and academically supportive of our staff and students with the presentation of Grants and the sponsorship of our extremely successful Barnes and Noble Fundraiser
- New locks on all of our classroom doors
- The development and implementation of district wide committees to monitor continuity and success.

While this is a hectic time of year, it is important to take time to focus on the real meaning of the season. Each person in our district deserves a special "thank you" – to the parents, students, board members, teachers, support staff and all who are part of the Little Falls School District. The continued support that you provide allows us to impart a truly exceptional learning environment to meet the needs of every student entrusted to our daily care.

In closing, it is my sincere wish that each of you receives and returns good tidings that make these days truly special. Because this is a perfect time to join with family and friends in giving thanks for all that we enjoy together, may your season be filled with quality time with families and other loved ones. Please know that I am available if I can ever assist you or your family in anyway. I wish all of you a Happy Holiday Season and a Healthy New Year!

Warm Regards,

Tracey Marinelli
