Dear Little Falls School District Family and Friends,

During the holidays, it is very easy to get wrapped up in the hustle and bustle of time and spending. It is important that we intentionally pause to remember what is most important - being present not the presents.

This year, instead of listing our accomplishments I want to send you into the holiday break with a simple message: The importance of the gift of kindness. A gift that costs nothing but has the greatest impact. In doing so, I want to share with you this short video (adapted from Erste Group Ad 2018).

I want to extend my appreciation to our staff and students for their hard work and amazing successes as well as our families and community members for their support.

This holiday season I wish you all the things that bring you peace and joy. May all your dreams come true and may the spirit of the season be yours today and always. I'll see you on Tuesday, January 3, 2023.
