**National Junior Honor Society Community Service and Scholarship Contract**

The National Junior Honor Society recognizes and encourages the development of character, leadership, scholarship, citizenship, and community service. Community service is a required activity of NJHS members. It is a means of demonstrating the acceptance of the responsibilities of building good citizenship, building good character, developing leadership skills, and increasing civic involvement.

Community service is best defined as any activity whose impact is felt within the community, even if the community is only one or two people, and for our school community within the Little Falls school district. All NJHS members are required to complete 10 service hours for a complete school year. The 10 hours must include a variety of service activities either in the community, performed for an organization outside of school, or in our school. For the remaining portion of this year, you will be responsible for a total of 4 service hours.

You will be given a NJHS Community/School Service Record Form to be filled in as you complete your service hours. As well as, you will receive a list of possible service activities.

I, \_\_\_\_\_, agree to complete 10 hours of service for a full year and 4 hours for the remaining portion of this year as part of my contribution to my community and in fulfillment of the requirement of the National Junior Honor Society. I will remain on the Honor Roll and/or the Distinguished Honor Roll. I will continue to represent my school positively and serve as a role model for my peers by exhibiting good, moral character in my daily actions.
