Welcome back! Thank you for coming to our first meeting of the 2022-2024 school year. We hope you all had a great summer and are adjusting to the school schedule. For those of you new to School #1, we hope your years are filled with positive experiences. The PTA is a fantastic group of volunteers that dedicate so much time and effort to make all our activities successful. This year we are adding some exciting new fundraising opportunities. All our events depend on parent involvement to carry them out. Sign-up sheets will be going out throughout the year closer to the event dates. Please keep an eye out for the emails.
