Dear Parents/Guardians:

Your child will be participating in many interesting and exciting projects throughout the coming school year. We would like to make these times memorable. We may accomplish this through school publications and newsletters, school newspaper articles, Instagram, Twitter, and our website. In addition, whenever possible, pictures of the students will be submitted to the local newspapers for publication. Also, at times video and television coverage might be aired on the local stations. Keeping this in mind please carefully read and complete the following release form. Thank you.

Sincerely,

Tracey Marinelli
Superintendent of Schools
