

Preschool Half Day Program 2021 - 2022

Your Child Will Need

We will be having a small snack every day. Please remember to pack a healthy snack such as fruit or cheese and crackers, and a drink such as water or a juice box.

Due to the circumstances, please work with your child at home on independently opening their snack.

Due to the current circumstances, your child will need a 16 qt size bin to keep their own materials provided by the teacher.

In the event your child spills, gets messy while working or has an accident, please bring an extra change of clothing for your child. Include a shirt, pants, undergarments, and socks that can be left in school. Please label each item with your child's name.

Please send in crayons and a small can of play-doh.

Your child will need a backpack that fits a 9 x 12 folder and snack. We will supply the folders and pencils for the students to use.
